## MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Welcome to KPTM. I believe a college is a place for you to gain knowledge and skills that you will use for the rest of your life. Here at KPTM, we are committed in creating the right environment and culture for learning.

Developing the right culture is essential to create an environment that is conducive for learning. Faculty members and students as well as the college staff work together to build such environment. We provide learning opportunities through problem based learning (PBL) that requires students to search for solutions and answers through discussions with the lecturers. This is unlike the conventional teaching where lecturers supply all inputs to the students.

KPTM is proud of its long years of academic pursuit. During these years we have engaged ourselves with students from all walks of lives, turning them from immature youngsters to well-rounded individuals ready to take on the world. We will do our best to develop and mould you towards having towering personalities.

As an educator, my professional roadmap has always directed me to work from a place of high standard, high expectation, and excellence. The KPTM team is dedicated to the same standard for our students. We strive to always motivate our students to achieve high academic achievement by providing outreach, academic support, and a climate that encourage self-empowerment. As a result, we reinforce successful enrolment, retention, academic success, and graduation of students from diverse backgrounds.

I graciously welcome you as higher education aspirants and look forward to the creation of new ventures and exemplary works from all of you.

Wishing you all the best!

Sincerely,

**Chief Executive Officer (CEO)**  
**Kolej Poly-Tech MARA**

---

**Trustworthy, Resilient & Blessed**

## **MESSAGE FROM DEAN FACULTY OF ACCOUNTANCY**

Dear Student,

Welcome to Kolej Poly-Tech MARA. We are aiming to create graduates with knowledge, skills and confidence to meet the challenges of today's rapidly advancing workplace.

You may refer to this handbook as guidance for you to familiarize with Diploma in Accounting program structure, resources, college policies and other pertinent information related to your 3-year study at KPTM. It is important that you read through the content of this handbook to understand and henceforth successfully adapt yourself academically and socially as a student here in KPTM.

Your years at KPTM will be well spent if you venture beyond your comfort zones both inside and outside the classroom. We hope that you will find this experience challenging yet interesting with the right attitude and commitment. Your studies should prove beneficial for both your personal and professional development and will prepare you for a life of continuous learning. Dream big and step ahead after your graduation. We aim for you to pursue the highest level of qualifications in your future undertakings.

Life as a student can be confusing and feel overwhelming. Seek out advisers and never be afraid to ask. There are many people available here to help. Do enjoy your years as our students and may you experience a productive and successful relationship with your lecturers as well as the support staff. Should you have any questions or concerns, please do not hesitate to contact any member of staff. We will be pleased to assist.

**Dean  
Faculty of Accountancy  
Kolej Poly-Tech MARA**

**Trustworthy, Resilient & Blessed**

## PROGRAMME BRIEF

The Diploma in Accounting is a homegrown program specifically designed to deliver a suitable level of theoretical and practical understanding in accounting that is useful in the workplace. The Diploma in Accounting (AA101) program was started in December 2003 with the first intake and has achieved accreditation from the Malaysian Qualifications Agency (MQA) in 2005 (formerly known as Lembaga Akreditasi Negara).

This programme consists of various structures and covers different aspects such as financial accounting, managerial accounting, financial management, corporate finance principles, financial markets and institutions, audit and taxation, computerized accounting, economics, business law, management, entrepreneurship, business mathematics and statistics.
