MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Welcome to KPTM. I believe a college is a place for you to gain knowledge and skills that you will use for the rest of your life. Here at KPTM, we are committed in creating the right environment and culture for learning.

Developing the right culture is essential to create an environment that is conducive for learning. Faculty members and students as well as the college staff work together to build such environment. We provide learning opportunities through problem-based learning (PBL) that requires students to search for solutions and answers through discussions with the lecturers. This is unlike the conventional teaching where lecturers supply all input to the students.

KPTM is proud of its long years of academic pursuit. During these years we have engaged ourselves with students from all walks of life, turning them from immature youngsters to well-rounded individuals ready to take on the world. We will do our best to develop and mould you towards having towering personalities.

As an educator, my professional roadmap has always directed me to work from a place of high standards, high expectations, and excellence. The KPTM team is dedicated to the same standards for our students. We strive to always motivate our students to achieve high academic achievement by providing outreach, academic support, and a climate that encourages self-empowerment. As a result, we reinforce successful enrolment, retention, academic success, and graduation of students from diverse backgrounds.

I graciously welcome you as higher education aspirants and look forward to the creation of new ventures and exemplary work from all of you.

Wishing you all the best!

Sincerely,

CHIEF EXECUTIVE OFFICER
