PROGRAMME BRIEF

The Diploma in Accounting is a homegrown program specifically designed to deliver a suitable level of theoretical and practical understanding in accounting that is useful in the workplace. The Diploma in Accounting (AA101) program was started in December 2003 with the first intake and has achieved accreditation from the Malaysian Qualifications Agency (MQA) in 2005 (formerly known as Lembaga Akreditasi Negara).

This programme comprises various structures and covers financial accounting, managerial accounting, financial management, corporate finance principles, financial markets and institutions, audit and taxation, computerized accounting, economics, business entrepreneurship, business mathematics, and statistics.
